Product Data Sheet

GW38609

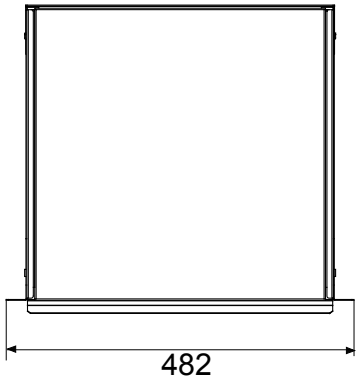

DATA CENTER range

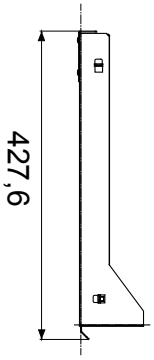

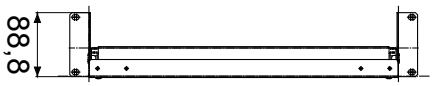

Complete system for the connection and distribution of LAN networks in residential and tertiary sector environments. The range includes fibre optic solutions, wall panels, floor cabinets and copper wiring products. Data Center boards and cabinets are available in a wide choice of modularity and different depths (up to 1000 mm), for adapting to every application need. Made with high quality materials (static flow at full load can reach 1000kg), the products are also characterised by their simple wiring (thanks to large internal volumes) and complete customisation, with removable and reversible front doors.

Description	19" sliding shelf	Load capacity (Kg)	15
Material	Steel	Finishing	Wrinkle
Colour	Black RAL 9005	Cabling unity	2U
Depth	410 mm	Electrocod	3752
