

Supports for fixing modular devices of the ChoruSmart residential series, made of technopolymer with rib-enhanced structure that guarantees high performance. The range includes versions for mounting plates with rectangular boxes with capacity for up to 12 modules, versions matching international standard plates on round/square boxes and versions for DIN rail. They are suitable for flush-mount or wall-mount boxes and are equipped with screw or fixing clutch systems. The convenient front coupling/disconnect system of ChoruSmart modular devices also allows you to house modular devices with 1/2, 1, 2 and 3 modules.
