

A complete range of commands and protections, energy and signal sockets, temperature control units, comfort management solutions, and acoustic/visual signalling devices. The commands, available with two different buttons designs, are illuminated with LED light and feature elegant indicator icons. System Pura is available in two colours and two finishes: glossy white, satin black and satin white. The series proposes intuitive and modern solutions designed to enhance any space. These features make it ideal for both residential applications and special installations, where reliability and aesthetics must coexist harmoniously.

Category	Thermostat	Supply voltage	230 V ac - 50/60 Hz
Power input	2 VA	Output contacts	1NO/NC 8 A (AC1) 250 V ac
Wiring terminals	With screw	Terminal tightening capacity solid cables (mm ²)	Max. 2,5
Material	Technopolymer	Terminal tightening capacity stranded cables (mm ²)	Max. 2,5
Temperature adjustment	From +5 °C to +35 °C	Colour	Glossy white
No. modules	2	Standard	EN 60730-1, EN 60730-2-7, EN 60730-2-9
