

A complete range of commands and protections, energy and signal sockets, temperature control units, comfort management solutions, and acoustic/visual signalling devices. The commands, available with two different buttons designs, are illuminated with LED light and feature elegant indicator icons. System Pura is available in two colours and two finishes: glossy white, satin black and satin white. The series proposes intuitive and modern solutions designed to enhance any space. These features make it ideal for both residential applications and special installations, where reliability and aesthetics must coexist harmoniously.

Category	Dimmers	Command	Push-button
Supply voltage	230 V ac - 50 Hz	Wiring terminals	With screw
Terminal tightening capacity solid cables (mm ²)	Max. 2.5	Terminal tightening capacity stranded cables (mm ²)	Max. 1.5
Thermo-pressure with ball	125 °C	Glow Wire Test	850 °C
Colour	Glossy white	No. modules	1
Material	Technopolymer	Standard	EN 60669-1, EN 60669-2-1
