

A range of tabletop panels, wall boxes and self-supporting wall enclosures suitable for housing ChorusSmart modular devices. Wall boxes and panels, available in black and white, must be completed with ChorusSmart support and One plates. The self-supporting enclosures, available in grey RAL 7035, are characterised in IP40 and IP55 versions: both have pre-cut knockouts, and the watertight version is also provided with a door with a transparent UV membrane. Self-supporting boxes and enclosures are designed to be fitted with an earth terminal.
