

## Product Data Sheet GW20248

SYSTEM WHITE - Domestic range

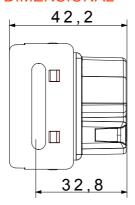

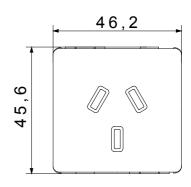

The System modular devices make it possible to create infinite combination between devices and plates, thanks to a complete range that is able to satisfy all design, functional and installation requirements. Colour and finiture: glossy white, bright and versatile Ideal for flush-mounting solutions (for rectangular or square boxes), surface-mounting solutions, and for special applications. The range includes commands, socket-outlets, protection, indicators, connectors and devices for the control, safety and comfort of your home.

| Category  | Power                        | Description   | 2P+E - 10A                     |
|---|------------------------------|---|--------------------------------|
| Colour  | White                        | Voltage   | 250 V ac                       |
| Earth pit                                       | -                            | Standard  | Argentinian                    |
| Characteristics                                 | -                            | For plug pins                                       | Flat                           |
| Wiring terminals                                | With screw                   | Standard  | IEC 60884-1                    |
| Resistance at test voltage                      | 2000 V at 50 Hz for 1 minute | Prolonged operation switch (no.of position changes) | 10.000 at In 250 V ac cosφ=0,8 |
| Thermo-pressure with ball                       | 125 °C                       | Glow Wire Test                                      | 850 °C                         |
| Terminal grip on cable traction                 | > 50 N                       | Terminal tightening capacity stranded cables (mm²)  | min. 1,5 - max. 2x4            |
| Terminal tightening capacity solid cables (mm²) | min. 1,5 - max. 2x2,5        | No. SYSTEM modules                                  | 2                              |
| Material  | Technopolymer                | Electrocod  | 0131                           |
