Data, measures, designs and pictures are shown

A complete range of commands and protections, energy and signal sockets, temperature control units, comfort management solutions, and acoustic/visual signalling devices. The commands, available with two different buttons designs, are illuminated with LED light and feature elegant indicator icons. System Pura is available in two colours and two finishes: glossy white, satin black and satin white. The series proposes intuitive and modern solutions designed to enhance any space. These features make it ideal for both residential applications and special installations, where reliability and aesthetics must coexist harmoniously.

Category	Data socket	Description	RJ45
Colour	Glossy white	No. pairs	4
Use category	6A	Cables	UTP
Connection	Toolless	No. modules	1
Material	Technopolymer	Halogen Free	Halogen-free in compliance with EN IEC 63355
Electrocod	3722
