| Description                               | RCCB WITH OVERCURRENT PROTECTION |
| Code                                      | MDC 60                           |
| No. of poles                              | 3P                               |
| No. modules                               | 3                                |
| Rated current                             | 16 A                             |
| Rated residual operating current          | 30 mA                            |
| Type                                      | A                                |
| Curve                                     | B                                |
| Rated voltage (IEC/EN 61009-1, 61009-2-1) | 400/415 V                        |
| Energy limiting class                     | 1                                |
