

Complete system for the connection and distribution of LAN networks in residential and tertiary sector environments. The range includes fibre optic solutions, wall panels, floor cabinets and copper wiring products.  
Data Center boards and cabinets are available in a wide choice of modularity and different depths (up to 1000mm), to adapt to every application need.  
Made with high quality materials (static flow at full load can reach 1000kg), the products are also characterised by their simple wiring (thanks to large internal volumes) and complete customisation, with removable and reversible front doors.

Category	19" power strip	Characteristics	6 sockets 2P+E - 16 A dual amp. ita/ger std
Material	Plastic	Colour	Black
Cabling unity	1U	Circuit breaker	2P - Luminous
Power supply cable	3 m	Power supply plug	90° - 2P+E - 16 A fre/ger std
Max power (W)	3500	Electrocod	3752
