|---|----------------------------------|
| Description                               | RCCB WITH OVERCURRENT PROTECTION |
| Code                                      | MDC 60                           |
| No. of poles                              | 4P                               |
| No. modules                               | 4                                |
| Rated current                             | 10 A                             |
| Rated residual operating current          | 300 mA                           |
| Type                                      | AC                               |
| Curve                                     | C                                |
| Rated voltage (EN/IEC 61009-1, 61009-2-1) | 400/415 V                        |

|   |   |                                    |   |
