

A system complete with components and accessories for LAN network cabling set-ups (both copper and optical fiber). The range includes also wall-mounting and floor-standing cabinets, from 10" and 19", with modern and innovative design, characterised by extremely easy wiring thanks to large internal volumes and lateral space. These solutions reduce installation time and allow for quick configuration at any moment, on the basis of new usage requirements.

Categoría	19" empty patch panel	Características	Preparado para 24 bases RJ45 UTP/FTP
Compatibilidad	Keystone Jack	Material	Acero
Acabado	Wrinkle	Color	Negro RAL 9005
Unidad de conexionado	1U	Código Electrocod	3752
