

Wiring device system specific for installations in round and square boxes, characterized by an elegant appearance and classic shapes. The plates, realized in technopolymer in seven colors and in different modularities, from 1 up to 5 gang, are installable indifferently in horizontal or in vertical position. The range, developed around a core of monobloc devices, is available in two colors: white and ivory, in glossy finish. Expandable thanks to the Chorus modular devices.

Categoria	Plate	Cor	Cinza antracite
Material	Tecnopolímero	Acabamento	Brilhante
Descrição	1 módulos	Teste de fio incandescente	650 °C
Termopressão com esfera	70 °C	Norma de referência	EN 60669-1
