

Wiring device system specific for installations in round and square boxes, characterized by an elegant appearance and classic shapes. The plates, realized in technopolymer in seven colors and in different modularities, from 1 up to 5 gang, are installable indifferently in horizontal or in vertical position. The range, developed around a core of monobloc devices, is available in two colors: white and ivory, in glossy finish. Expandable thanks to the Chorus modular devices.

Cor	Branco	Material	Tecnopolímero
Acabamento	Brihante	Descrição	2 módulos
Tipo	Horizontal/Vertical	Características	Plate
Entre-eixos	71 mm	Teste de fio incandescente	650 °C
Termopressão com esfera	70 °C	Norma de referência	EN 60669-1
